

Next Steps

from the May 14, 2011

West Sacramento Partnership Event for Leaders of Community Based Organizations

- **Meet again for a work session**
 - Planning team: Katie Villegas, Jim Rodgers, Lisa Guillen, Alan Lange, Elizabeth Gray, Trisha Stanionis.
 - Louise Collis will find space to hold work session.
 - Be outcome-oriented: will define structure, set goals, and potential funding sources.
 - Invite more people to join the conversation (all).
 - Explore the uses and costs of different technologies (Jim Brewer).

- **Collaborate on a community resource table**
 - Maria Romero-Mora (Maria.Romero@yolocounty.org) is collecting materials.
 - First event is at Farmer's Market (5/19/11).
 - People interested in participating and organizing met with Maria/Louise after the Partnership event

- **Materials uploaded to "West Sacramento Partners" webpage on BBCAN website.**
 - <http://www.bryteandbroderick.org/WSpartners.cfm>
 - Charlotte Dorsey coordinating (cdorsey@webserviceswest.com)

- **Share available space for community events/trainings**
 - Have space to share:
 - Washington Unified School District
 - Southport Community Church
 - West Capital Courtyard
 - Washington Courtyard
 - Arthur F. Turner Community Library (Cap. 80 meeting room with AV and IT support) and 2 study rooms

- **Attend the Upcoming 4-day institute on youth development (YDI)**
 - To build a common language and skills in tapping the assets of community youth.
 - Sponsored by WSYRC. Contact Yaminah Bailey (Yaminahb@communicarehc.org).

- **Create a Youth Master Plan**
 - Bring groups together into one large model (family literacy, whole child/universal pre-school, youth development, healthy schools)
 - Create a forum for education and youth service providers to identify gaps and how to address these together.
 - Link education and business community (connect current conversations at ROP, YDI, and CTCC). Combine with YDI to identify and train "youth friendly businesses" as well as "work ready youth."
 - Define how to build a funding structure to receive funding (where are the potential funding sources and what do they require?)

- **Support 211**
 - Help get the word out!

Thank you to the following Discussion Groups:

- Assistance (social/emotional, housing, medical/dental, emergency)
- Ongoing communication and networking
- Youth as a resource for enhancing community life
- Collaboration (partnering, sustaining, getting the word out)
- Capacity building and silo prevention
