# We Are Bigger Than The Walls That Divide Us

*The Bryte and Broderick Community Action Committee (BBCAG) was formed to support and empower community residents to better look after our community's interests, improve the community's public perception, and honor our extensive diversity. We are working on long-term projects, finding community-based solutions to our challenges, and touch-up improvement projects.*

## GOALS:

2. **TO INITIATE** community projects and events which improve the lives of Bryte and Broderick community members.
3. **TO SUPPORT** viable and fruitful existing projects and events that foster a positive community image.
4. **TO REPRESENT** and fight for equity of dollars and manpower in services to the Bryte and Broderick communities.
5. **TO PROTECT** and preserve the diversity and uniqueness of the community.

## OBJECTIVES:

1. Organize Steering Committee and Sub-committees of community interest groups.
2. Develop website for community organization and communication.
3. Establish a calendar for BBCAG meetings and events, and as an outreach tool with leaders of the faith community, the WUSD and West Sacramento.
4. Initiate regular communication with local and regional media outlets.
