PO Box 788
Bryte CA 95605

Dear Mr. Besharian,

This is in response to your letter and petition dated February 9, 2010, concerning the feasibility/consolidation study being conducted on the Bryte Branch Post Office located at 1548 Lisbon Avenue, Bryte CA 95605.

Due to the financial and economic concerns facing the Postal Service, the Bryte Branch has been identified by the Postal Service as a candidate for possible consolidation with the Broderick Branch Post Office which is located within 2 miles of the Bryte Branch. The study is in progress and when the results and analysis of the study are completed, we will be able to make a final determination.

You noted that service hours at the Bryte Branch has been inconsistent and I will review this concern with Postmaster Zubie Zubia.

Thank you for communicating the community's interest and concern about the services provided by the Bryte Branch Post Office. If it is determined that a discontinuance of the **West Sacramento Bryte Branch 95605** should be pursued, a proposal will be submitted to Postal Service Headquarters for a final determination. It will include all customer comments and concerns. I want assure you that the community's input will be carefully considered before making any final decision. Notification of the final decision will be made to all customers prior to any action.

If you have additional questions, you may contact Dianne Tuosto, Post Office Review Coordinator, at 916-373-8234.

Sincerely,

Theresa Hartenstein
