

# BRYTE & BRODERICK COMMUNITY ACTION GROUP

*Invites you to join us for the Winter '09*

## Neighborhood Forum

**Sat. / Jan. 31 / 9am**

**MAKE A DIFFERENCE. MEET YOUR NEIGHBORS. HELP SHAPE YOUR COMMUNITY.**

The Bryte and Broderick Community Action Group (B&BCAG) is a community advocacy group — and as our name states, we are committed to action and producing results.

Our August forum was a resounding success which established several community priorities. Now we are taking those priorities and creating tangible projects.

Because our goal is to represent, and advocate on behalf of,  
our entire neighborhood, ***we need your input!***

at the Rivers  
Clubhouse

The Bryte and Broderick Community Action Group (BBCAG) facilitates collaborative communication between West Sacramento City leadership and staff, the Washington Unified School District, various entities, and Bryte/Broderick residents, to meet the needs and aspirations of our diverse community, and perpetuate the unique culture and character of our neighborhoods.
