

SENIOR TRANSPORTATION SUMMIT

How to get from Here to There

Learn all about transportation in West Sacramento

What is real ... What is rumor ... What you didn't know ... How you can get involved
Panel discussion and questions and answers will include representatives from the City of West Sacramento, Yolo Bus, other transit providers, and transportation decision-makers. It will give YOU, the Seniors and Citizens of West Sacramento, the opportunity to learn about your transportation options and to begin a dialog about transportation possibilities for the future.
