RE: First Annual Bryte and Broderick Christmas Drive
(November 29 – December 13)

Dear Local Business:

The Bryte and Broderick Community Action Group (B&BCAG), was formed to support and empower community residents to better look after our community's interest, improve the community's public perception, and honor our extensive diversity.

Our group's structure allows us to focus on particular areas of interest and it is with great excitement that the subcommittee on the Injunction/Police Relationship of the B&BCAG invites you to join them in their first annual Bryte and Broderick Christmas Drive

The subcommittee goal for this community event will be to:

1. Help the needy by donating all proceeds collected to the Broderick Christian Center;
2. Collaborate with the West Sacramento Police Department to improve the relationship between residents and law enforcement by including them in the Drive; and
3. Create a partnership with local businesses to promote their contributions to the community.

Participating businesses will be asked to have a donation bin on site for the collection period of November 29 – December 13 during business hours and agree to work with the assigned subcommittee member on collection of donated goods as needed. As a token of appreciation, businesses will have their names as sponsors on the BryteandBroderick.org website for the period of the drive.

We thank you in advance for your contribution to making this event a success and we look forward to working with you on this endeavor.

Respectfully,

Yvette Trevino, Chair
