
Senior Transportation Voucher Program

STVP

What is the STVP?

The program is for seniors who are no longer driving for safety and medical reasons. It provides alternatives for transportation to medical appointments, grocery stores or other common destinations.

What does STVP offer?

It offers free transportation throughout West Sacramento and low cost transportation to some areas outside of West Sacramento.

How much does it cost?

Each free voucher is worth \$3.00 and may be applied to different transportation routes.

- Local (within West Sacramento): fare is one voucher
- Intercity (within Yolo County): fare is one voucher plus \$1.00 cash
- Sacramento (medical appointments only): fare is one voucher plus \$2.00 cash.

Cash is paid directly to the bus driver.

Who can get the vouchers?

You must complete an application to receive a voucher.

Voucher users must be at least 60 years of age and be eligible for YoloBus Special paratransit services.
